### T-Shirt Preparation Directions and Other Important Information

- ◆ Wash T-shirts in a washing cycle **without** any detergent. Dry without dryer sheets.
- ◆ If there is a part of your T-shirt that you DO NOT want used, X it out with **blue** painter’s masking tape. We will use all the designs that you do not X out.
- ◆ If you have a special request for a particular T-shirt - e.g. if you want it centered - write that request on masking tape and stick it to the T-shirt. The tape will remain on the block during the process and will come off when the request is fulfilled. We would request that you keep your request for placement of T-shirts down to a minimum. The more specific placements that are requested, the less flexibility we will have in laying out your quilt.
- ◆ Stains. Normally we do not do anything about stains on your T-shirts. If this is ok with you, then you don’t need to do anything. If there is a stain that you don’t want in the quilt, mark that area with blue painters masking tape. On the masking tape write what you want done - say remove or avoid if possible. If you ask us to

remove the spot, the area in question will be cut out and a piece of matching fabric will be used to fill in the hole. If you ask us to avoid the spot we will try to cut the T-shirt block to not include the stain. But we tend to want to center the design on the block rather than have it off center. (Having the design off-center will be more noticeable than most stains).

- ◆ A separate Order Form needs to be filled out for each quilt. You are welcome to send more than one group of T-shirts in a box, but please put each in a separate plastic bag with their own order form. If you are sending more than one quilt, double check that the applicable T-shirts are in the correct bag. We won't mix your T-shirts up, but if they come mixed up there is no way of us knowing where they should go.
- ◆ Are you concerned that you will have too many T-shirts for the size quilt that you would like? If so, put a stack of the least wanted T-shirts in a separate plastic bag **and note** for us to use them if they are needed to make the quilt the size you are requesting. Any shirts that are not used will be returned to you when we ship your quilt to you.
- ◆ If we have communicated via e-mail about any special issue or request, please print out the e-mail and attach it to this order form.
